General Notes

- Lewisham Sports Consortium make their grounds available to the community, and they ask the Hirer to treat the premises and the equipment used in a right and proper manner. All breakages must be paid for.
- The chargeable hours are from the time of first entry to the final exit, inclusive. We like to keep a good relationship with our neighbours, so please ask your guests to leave quietly at the end of the event. Remember to allow time for preparation and cleaning up afterwards.
- There is to be no smoking of illegal substances on these premises at any time.
- Please consult with the Administrator at least two weeks before your event in order to make arrangements about opening up and any equipment required.

We are a non-profit organisation totally managed, operated and reliant heavily on our volunteers for maintenance and cleaning of the Grounds to make it available to the community. Please help us to keep the grounds clean and presentable after your event. This will keep the extra burden of cleaning to a minimum and make it quickly available to the next user/hirer.
